Club-sponsored training for members

Policy:

At the discretion of the Board, SAPC may provide interested members with training support for particular skills, based on identified Club needs and where there is a direct benefit of the Club.

Purpose:

To encourage the acquiring of the skills needed for Club development and events.

Clarification:

1. Only requests for skills that are in short supply will qualify.
2. The board will determine from time to time which skills will be eligible.
3. This policy applies to registration fees only, there is a separate process for other cost reimbursements.
4. Interested members will fill in the attached form prior to the training.
5. The trainee will request reimbursement after the event as per regular financial procedures.

Approved: November 2023
